

## Industrial Archaeology in Belgium

- An invitation to go on a journey through time
- A solitary walk and an innovative photographic look at some 200 sites evoking the industrial past of Belgium and Luxembourg
- The faded splendour and formal severity of the buildings that once housed great industry, today turned into ruins on the road to extinction or protected monuments, preserved as they are or destined for new purposes

240 x 260 mm | 200 pages | bound, with dust wrapper  
3 language edition: English, French, Dutch  
ISBN 2873862831 | 49.95 euro  
October 2002
