

Luc Peire
Catalogue Raisonné of the Oil Paintings

- Luc Peire died ten years ago, but he left an internationally acknowledged oeuvre.
- Until today, he is one of the most important representatives of geometrical abstraction in Europe.
- This book wants to bundle and interpret all oil paintings he made in his different periods of style.
- It doesn't only contain a catalogue raisonné, but also a fully rewritten biography of the artist.
- With over 1000 colour illustrations, this book is a must-have for all art collectors and art passionates.
