

## Remaining Flowers

Daniel Ost & Jean-Pierre Gabriel – Photography Robert Dewilde

- **The best works of the world's most talented floral artist**
- **Daniel Ost looks carefully at each flower and creates an unseen natural harmony**
- **A fascinating trip to the boundaries of floral imagination**

Daniel Ost is probably the most fascinating flower artist in the world, known particularly for his unusual and extremely daring creative flower arrangements. They entice and at the same time confuse the observer. *Remaining Flowers* collects some of his most sublime works of floral art.

The charming and intriguing pictures of Robert Dewilde add colour and depth to Daniel Ost's impressive works.
