iFoodie! Cheese iFoodie! Belgian beer iFoodie! Champagne

In *iFoodie! Cheese* cheese connoisseur and refiner Michel Van Tricht gives an overview of the different kinds of cheese in the world. Photographs by Heikki Verdurme.

In *iFoodie! Belgian beer*, beer expert Ben Vinken shares his extensive knowledge of Belgium's greatest drinks with the reader. The author seduces the reader with this small countries' most famous and lesser known beers, all displayed on taste-arousing pictures. He teaches all there is to know about how to pour beer and how to appreciate and recognize the different and excellent types. Every beer is fully described in a handy information chart.

In *iFoodie! Champagne* wine authors Guido Francque and Fabian Scheys present a detailed overview listing all Champagne greats and tell you everything you need to know about the production process, the terroirs, etc of this exquisite product. Heikki Verdurme completes this book with light and modern photographs.
