Peter de Clercq is the chef and owner of the renowned restaurant *Elckerlijc*, a writer of several books on barbecuing, a world barbecue champion and a barbecue adviser. *Just grilling* displays his exceptional creative talent.

Top ingredients are used in a contemporary, modern and often adventurous way. From grilled duck's liver, jumbo shrimps, laquered duck and mussels to grilled French toast, ice cream, apple dumplings and chocolat moelleux.

In *Just bread* cookery wizard Stefaan Daeninck proves that bread rolls are much more than just a slice of cheese between two slices of bread. A book to try out at home and to make your lunch twice as tasty. Bart Van Leuven's mouth-watering photography is the cherry on the cake and will leave no one unaffected.
