Elegant greenhouses and conservatories

Ivo Pauwels – photography Hans Fonk

- › A must have for greenhouse, oranjerie and winter garden lovers
- › A book full of inspiration
- › Quality photography of exquisite conservatories

Luc D'Hulst designs orangeries, greenhouses and winter gardens worldwide. His wonderful architectural works of art come in glass, wood, stainless steel and titanium.

Top photographer Hans Fonk's images artistically accentuate the detailed crossbeam constructions and the outstanding style and architecture of some twenty-five realisations, while Ivo Pauwels, known from his books on interior design, enriches the book with an informative, well-written text.

Ivo Pauwels is the author of over fifty books on interior design. He is the chief-editor of the magazine *Bloemen en Planten* and the Belgian gardening program *Groene Vingers*.

Hans Fonk is an internationally renowned photographer, who focuses on (interior) architecture, design and visual arts. He is also the publisher and photographer of the leading architecture and interior magazine *Object*.
